

WHEN YOU HAVE
LEFT YOUR SHOP

WE'LL SECURE
YOUR JEWELRY
WITH FOG

SECURED IN SECONDS

There is a PROTECT Fog Cannon to suit your needs

No room is too large or small. Also possible with concealed installations!

- Protect your strongbox, your repair shop area, your most expensive goods or even your entire premises!
- A modest investment with low operating costs, rapid return on your investment and with up to 5 year warranty
- Leaves no residue and the fog is completely harmless to humans, animals, clothing, furnishings, IT and electrical equipment

THE PERFECT PROTECTION WHEN YOU ARE OUT...

Security fog means the immediate protection of your valuables!

A PROTECT Fog Cannon will fill a room with a blanket of dense security fog, rendering the intruder blind, it works on the principle that you cannot steal what you cannot see.

Break-in

20 sec.

10 - 45 min.

Keep the intruders out for up to one hour - ample time for police or security services to arrive.

This video shows a video recording of a real robbery in a jeweler shop. After only a few seconds the robbers are out again without any prey. Watch this and many other videos on protectglobal.com.

Relaxing moments with your friends become more pleasant when you know your business and valuables are effectively secured in seconds.

BE SAFE - SLEEP WELL WITH SECURITY FOG

Regardless of whether you are a shop owner, or the person responsible for security in a retail chain, the business' valuables and the safety of your staff will be of paramount importance to you. And after a burglary, it is critical that you are back in business quickly.

Security fog makes theft, vandalism and robbery impossible and leaves you with peace of mind to focus on running your business.
